

**FST PURE® Picture Tube** minimizes room reflections and improves picture linearity, sharpness and brightness.

**Built-In ATSC/NTSC/QAM digital tuning** allows for tuning of standard cable channels as well as off-air digital broadcasts, in addition to digital "cable-in-the-clear" broadcasts.

**Colorstream® Component Video Input** provides improved picture quality from interlaced component signals.

**Surround Sound and Double Baffle Speaker System** combine to give full realistic stereo sound from a compact cabinet.

**Front A/V Input** provides versatility and convenience for the consumer who wants to easily connect a video game console or camcorder.

**GameTimer™** allows the television to shut off after a specified period of time for easy parental control of playing time.

## 20DF47 SPECIFICATIONS
